SUMMARY

Computer Science undergraduate with skills in Java Full Stack Development, Data Structures & Algorithms, and database management. Proficient in Java, HTML, CSS, JavaScript, SQL, and familiar with cloud concepts and AWS fundamentals. Experienced in developing responsive web applications with clean coding practices and problem-solving abilities. Quick learner and collaborative team player seeking opportunities to build scalable real-world software solutions.

SKILLS

Technical Skills:

- **Programming Languages:** C, Java (OOP, Multithreading, Collections Framework)
- **Frontend Development:** HTML, CSS, JavaScript, Responsive Web Design
- **Web & Backend Development:** Currently learning and building real-world projects using Servlets, JSP, Spring Boot, and REST APIs
- **Database:** SQL, JDBC, MySQL
- **Tools & Version Control:** VS Code, Git, GitHub
- **Core Concepts:** Data Structures, Algorithms, Problem Solving, SDLC Basics
- **Cloud & Other Skills:** AWS Fundamentals

Soft Skills:

- Team Collaboration
- Adaptability

EDUCATION

Vasireddy Venkatadri Institute of Technology	09/2023 – Present Guntur
SR College	09/2021 – 04/2023 Guntur
Bhashyam School	06/2020 – 03/2021 Guntur

CERTIFICATES

- NPTEL - Programming in Java
- NPTEL - Social Network Analysis
- Certificate of Appreciation - Java Hackathon, CodTech IT Solution(July 2025)
- Certificate of Participation - ATL Mentorship Program
- Sololearn - Introduction to java

PROJECTS

• Taskora – Smart Task Management System

Technologies: Java, Spring Boot, MySQL, HTML, CSS, JavaScript

Description: Developed a smart task management system with secure user authentication and personalized task tracking features. Enabled users to add, edit, delete, search, and mark tasks as completed through a modern responsive dashboard.

• Public Pulse Gov - Village Issue Reporting System

Technologies: TypeScript, CSS

Description: Built a village issue reporting system enabling users to submit complaints related to water, drainage, and sanitation using images and voice messages for efficient problem resolution.

ACHIEVEMENTS

NSS Student Coordinator: Planned, organized, and supervised community outreach activities, enhancing student participation and community engagement.

INTERESTS

Playing chess (enhances strategic thinking and problem-solving) | Community service through NSS
